Reminders

Utensils

We do not provide utensils for student's lunches, if your child has a lunch that requires a utensil please send in their lunch bag.

Water Bottles/Cups

This also goes for water bottles and cups; we have none in the office. There is water bottles filling stations and water fountains in the school.

Parents /Guardians

If there is any change of plans for your child/children's after school plans, we ask that you send a note in with them or call the office prior to **1:30**. If students are staying after school for sports, they need to be aware of this in the morning before coming to school. This has become an issue towards the end of the day. So many students not knowing where they are going and a lot of phone calls coming in too late in the day. The office is a very busy place and at this time of day it is hard to keep up with the last-minute changes.

Thanks

THANK YOU!

A huge thank you to everyone who came out to support our school book fair either in-person or online. This is a fantastic fundraiser for our school, and your support means so much. We are thrilled to see our students light up as they read and chat about the new library books we have received through this scholastic fair.

Kindergarten

Welcome to Kindergarten

This will take place on Thursday May 11th from 6-7pm.
