Door Locking Sytem

We now have a door locking system. The doors will be locked during the day, the are on a timing system so they are unlocked for recess's and the end of day departure. If you are coming to the school when the doors are locked you will need to press the bottom on the black box and someone in the main office will unlcock the door for you. This is a safety addition that many other schools are also using, it will also prevent people from entering the school without a staff member knowing. With this being said, we ask that you always check in to the office when coming into the school.

Willy Wonka practises are every Thursday from 2:45 to 4:15.

"Congratulations to all gymnastics participants who competed in our zone meet at our school. Your hard work did not go unnoticed. We had three 1st overall finishers, Lauren Robertson, Meika Christensen and Landon Rowe, as well as several athletes moving on to provincials!"
