SURF at Montague Consolidated

We did it!

Well done students and staff! This year we worked hard on living our **SURF** motto. **SAFETY, UNITY, RESPECT, and FAIR PLAY**, our code of conduct, keeps us growing and moving forward.

We launched our Character Education with a google classroom assembly focused on **SAFETY**. Together we build safety and create a safe and caring place to learn and play. **UNITY** is all about working together, embracing our differences, recognizing our similarities, and celebrating all of us and what we have to offer.

RESPECT is being able to act in a way that shows you care about another's feelings and well being. It is being kind to yourself and others. It is knowing what we do and what we say matters.

FAIR PLAY is about learning the rules of the game and putting them into action. It's also about learning and practicing social rules to guide our actions so we can cooperate, take turns, be polite, share, and work as a team member to problem

solve...even when we don't feel like it!

Our upper grade students have done such a great job of being **SURF** role models for our younger and new students. Keep practicing **SURF**, and above all be kind!

Thank you for your continued support as we grow and learn together. Have a wonderful summer break. Surf's up!

The provincial track and field will be on Saturday June 4 at UPEI and we have 22 students participating.

Provincial track and field will be held at UPEI this Saturday June 4th.

There is a 3\$ admission for adults and 1\$ for students. Athletes and coaches are free.
