**May 23 – Victoria Day (NO
SCHOOL)**

The grade 6 closing will be on Thursday, June 9 from 12:30-1:30 pm. Parents are asked to arrive no earlier than 12:00 pm and to be ready for the ceremony to begin promptly at 12:30 pm. Each student will be permitted to invite two guests. If you need more than two invitations, please contact the office and we will try our best to accommodate you. There will be a dance that will take place after the closing ceremony from 2:00-2:45 for grade 6 students only. The dance will end in time for students to take their regular form of transportation home. The school will be following whatever Covid-19 guidelines that are in place at the time of the closing ceremony. There will be an update sent out to parents regarding the guidelines closer to June 9.

Just a reminder to students and parents, if you have any Library Books at home to please send them back in! Thanks.

We continue to work on character education here at MCS. We have highlighted *Safety* and *Unity* and now we are working on *Respect* and *Fair play*, the final two parts to our S.U.R.F. motto.

The remainder of the school year will see us focus on *Fair play* and *Respect*. Fair play is about learning the rules of the game and putting them into action. Fair play is also about learning social rules to guide our actions so we can cooperate, take turns, be polite, share, work as a team member, and problem solve.

Respect is being able to act in a way that shows you care about another's feelings and well-being. It is being kind to yourself and others. What we do and what we say matters!

Thank you for your continued support as we grow and learn together

Phys Ed News....
